

## **Directions to the Kimberton Fairgrounds.**

### **From the South:**

Take I-95 North to Exit 100 (Northeast, MD). Stay to the left, at the light, turn left onto Rt. 272 North. Follow into Pennsylvania, about a mile after crossing the Pa. State line, 272 turns to the left, DO NOT FOLLOW 272, keep going straight. That road will Dead-end – bear right. After going through the town of Oxford, this becomes Rt. 10, follow Rt. 10 for about 15 miles to Rt. 30 (large intersection with a Walmart Super Center on the left). Turn right onto Rt. 30, after about ½ mile, 30 splits into either Business 30 or the Rt. 30 bypass – bear to the right for the Rt. 30 By pass. Follow for 12.8 miles to the exit for Rt. 113 **North** (this is a new exit, don't take the first exit for 113 – this is going south, the wrong way).

### **From the Pa Turnpike:**

Take Exit #312 (Old exit #23), after paying the toll, follow to Rt. 100 South. Stay on Rt. 100 to Rt. 113 – turn left at the light onto Rt. 113 North. From there, it is 6.9 miles to the Kimberton Fairgrounds on the left side, at the blinking light.
